Area of Study: ___________________________  Full-Time or Part-time (delete one)

MEng Course Selection Rules:

• Of your 8 (500 or 600 level) courses, 4 courses **MUST** be in your specialization (e.g. Energy Systems, Control Systems…).
• You **MUST** also take Eng G 600 and ECE 910. They do not count toward your course requirement.
• Your courses **MAY** include up to two technical courses from other departments (Engineering or Science) if they are related to your area.
• Your selection also **MAY** include up to two Eng M (engineering management) courses. See [http://www.engineering.ualberta.ca/mece/Gradcourseindices.cfm](http://www.engineering.ualberta.ca/mece/Gradcourseindices.cfm)
• You **MAY NOT** take 400 level or Reading courses - only classroom courses. Some 700-level courses may be eligible.
• If you have been approved part-time registration you **MUST** have at least one term with 3 regular courses (University requirement of full-time is 9 units of course load).
• Course timetable: [http://www.ece.ualberta.ca/courses/grad_courses.html](http://www.ece.ualberta.ca/courses/grad_courses.html) Check for recent changes to the timetable.
